

FY 2004 EXTENSION OF WORKSHARING AGREEMENT

Inasmuch as there have been no substantive changes in the processes, procedures, statutes, policies or regulations that would adversely affect or substantially alter the worksharing arrangement between the New Orleans District Office and the Louisiana Commission on Human Rights, or that would affect the processing of charges filed under the pertinent Federal, state or local statutes, the parties agree to extend the current worksharing agreement that was executed on August 13, 2002 through the FY 2004 Charge Resolution Contract Option Period. This agreement, as well as the attendant Worksharing Agreement may be reopened and amended by mutual consent of the parties.
